: DECISION ON REQUEST
: TO WITHDRAW
: ACTION

This is a decision on petitioner's request filed November 16, 2000 requesting the withdrawal of the Office action mailed September 25, 2000. The request is based on the fact that the request for the filing of a Continued Prosecution Application (CPA) submitted August 30, 2000 did not include the filing fees and revoked any prior authorization given to charge fees except for extension of time fees.

In view of the above, the Office action of September 25, 2000 was issued in error as the CPA was incomplete and 37 CFR 1.53(h) states that an application filed under 37 CFR 1.53(d) "will not be placed on the files for examination until all its required parts" are received. Accordingly, the Office action is hereby withdrawn. Upon the mailing of this decision, the application will be forwarded to the Legal Instruments Examiner for the mailing of a Notice to File Missing Parts of Application.

Summary: Office action mailed September 25, 2000 withdrawn.
